# Ho-ho-ho Merry Christmas!

Did you see Santa at AgnoShin giving away cake and gifts? Yeah! But it wasn't Santa, it was us who shared them along with love, fun and laughter.

We treated ourselves with hearty lunch followed by Ms. Kutti Revathi's thoughts on our native Indian history and its glory. Here's a glimpse of the event!

# AGNOSHIN CSR BRAILLE CALENDAR RELEASE

As Braille Calendar release has always been special for us every year, no wonder it turned out to be overwhelming this year too. The smiles on our visually disabled friends' faces is a picture that can be cherished throughout. Our efforts as CSR initiative, has yet again proved to be the best. Thanks to Meiporul!
