# INTERNATIONAL WOMAN'S DAY

EMPOWERMENT COMES  
FROM WITHIN, AND WHEN  
A WOMAN EMBRACES HER  
TRUE BEAUTY, SHE  
BECOMES A FORCE TO BE  
RECKONED WITH.

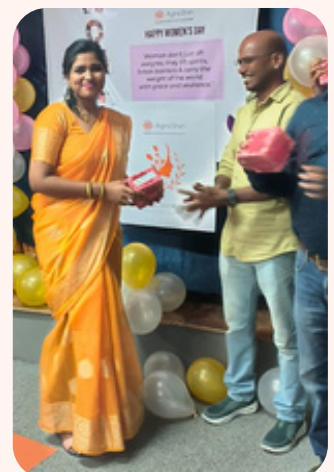

# Happy International Women's Day

Cheers to the strong, determined, and intelligent women who help our workplace thrive. On March 8th, we celebrated International Women's Day in style. The Agnoshian ladies were greeted with presents. The events included a variety of activities and songs. Thank you to Mr. Athisha, Journalist and Writer, for attending and sharing his opinions with us.

# NUMERACLE

## Client visit at AgnoShin Technologies

It was fantastic to connect with our clients in person, building rapport and exploring new opportunities together. Having Rebekkah and Keith, the founders of Numeracle, there was a delight as we exchanged ideas and synchronized our tactics for success.

We are thrilled to announce that our team from AgnoShin Technologies engaged in the prestigious Enterprise Connect 2024, Orlando, USA, which featured enterprise speakers who gave insights on challenges sourced from real-life experiences. Apart from that, the event showcased largest Expo Hall for communications with designers and developers of systems for unified communications, contact centers, video and other collaboration platforms.
