# CARROM TOURNAMENT

8

Nothing is more simple or effective for team-building than playing enjoyable office games. Playing games is an excellent technique to help individuals connect with one another. Furthermore, several of these team-building activities will put your colleagues' strategic thinking and problem-solving abilities to the test. AgnoShin Technologies hosted a successful carrom tournament, with the winner team displaying amazing abilities.

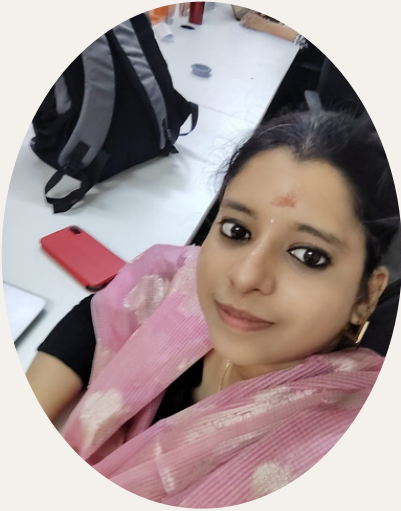

# TOGETHER!!

It was nice to get together outside of the office and share a delicious supper. A time to unwind, interact, and enjoy our shared accomplishments. Congratulations to our outstanding team. We all liked the meal and the excellent company. Here's to your continuing success!

## Team Reviews

I belong to Dev team, I am proficient in IVR & currently working on Java product development. I really like the way how the team works in a systematic way. The support that is provided by my TL and Gomathi ma'am is amazing.. The team supports and the team members are also supportive.

**Vidya, *Software Developer***

AgnoShin provides a vibrant, team-oriented work atmosphere. The workspace is contemporary and well-appointed, offering all the amenities required for an efficient workday. Additionally, the organization encourages remote work, which improves work-life balance.
