AVAYA ENGAGE

We are thrilled to announce that our team from AgnoShinTechnologies participated Avaya Engage in Downtown Denver, USA, where the enterprise community came together to share expertise and to build a better UC ecosystem for our customers, transforming the contact center.

More Opportunities...

"Empowering Your Career Journey"

As we prepare to launch a new contact center, AgnoShin Technologies has finished hiring for voice procedures. We feel that a comprehensive and careful hiring process is essential for developing a workforce that promotes creativity and success.

OUR NEW PARTNERS

Together, these partners will enhance our capabilities and enable us to deliver exceptional IT services. We look forward to the innovative solutions and collaborative success that this partnership will bring. Their insights and strategic guidance enable us to offer comprehensive and forward-thinking IT strategies.

A Great Place for Great people to do Great Work

As the saying goes, our usual fun friday on the 31st of May had ended with cake cutting celebration for the heroes of AgnoShin born in May month.
