Diwali

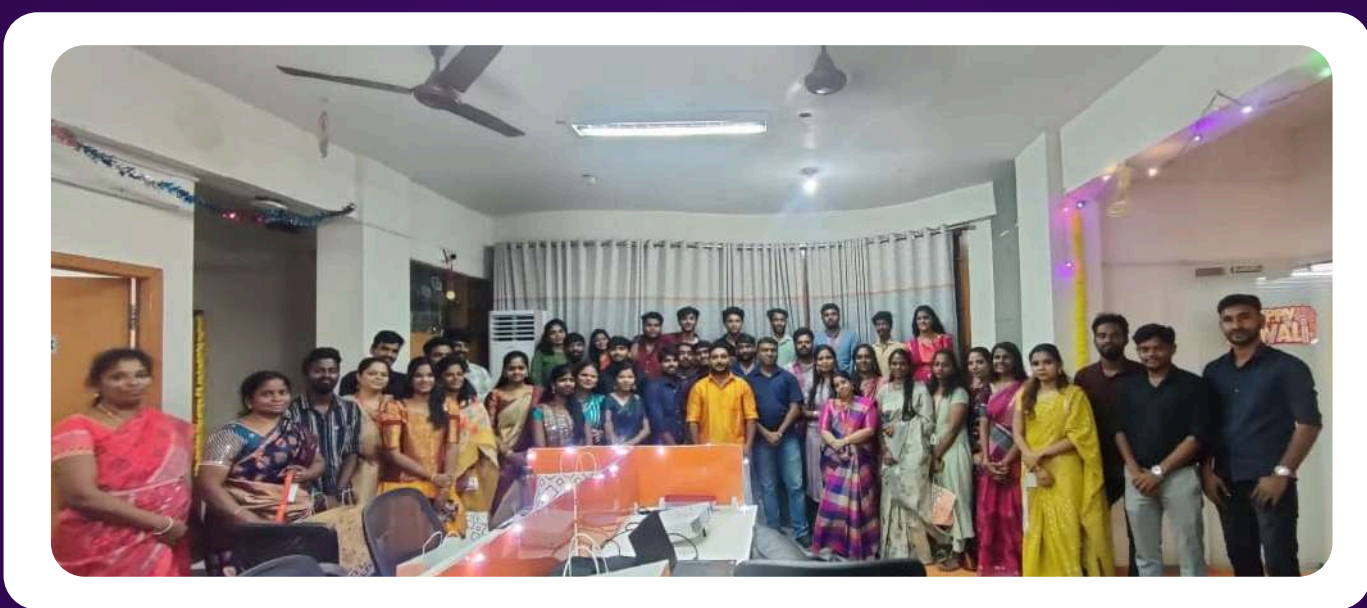

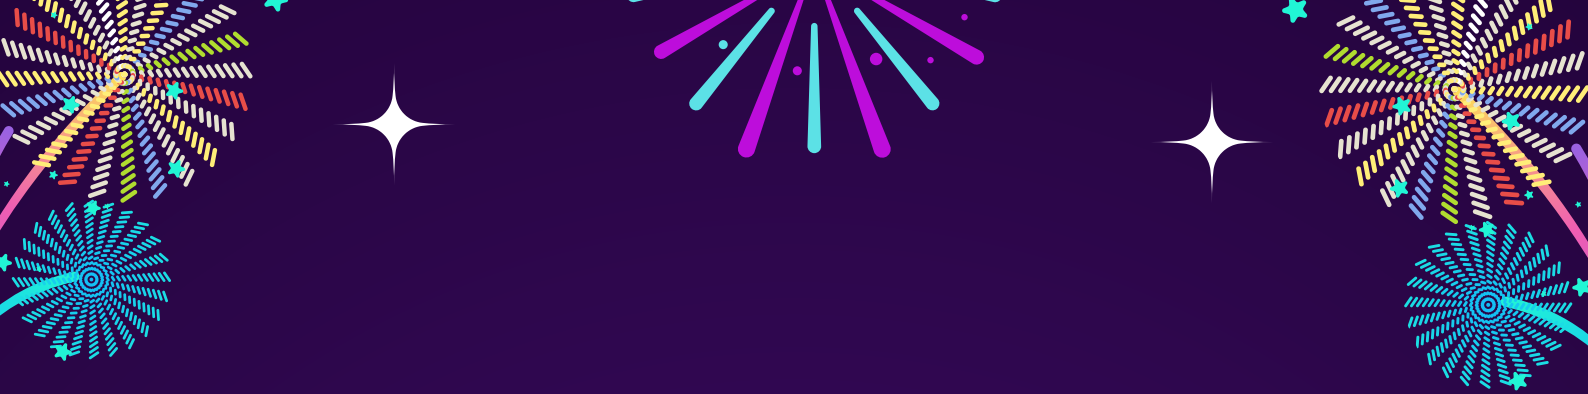

CELEBRATION

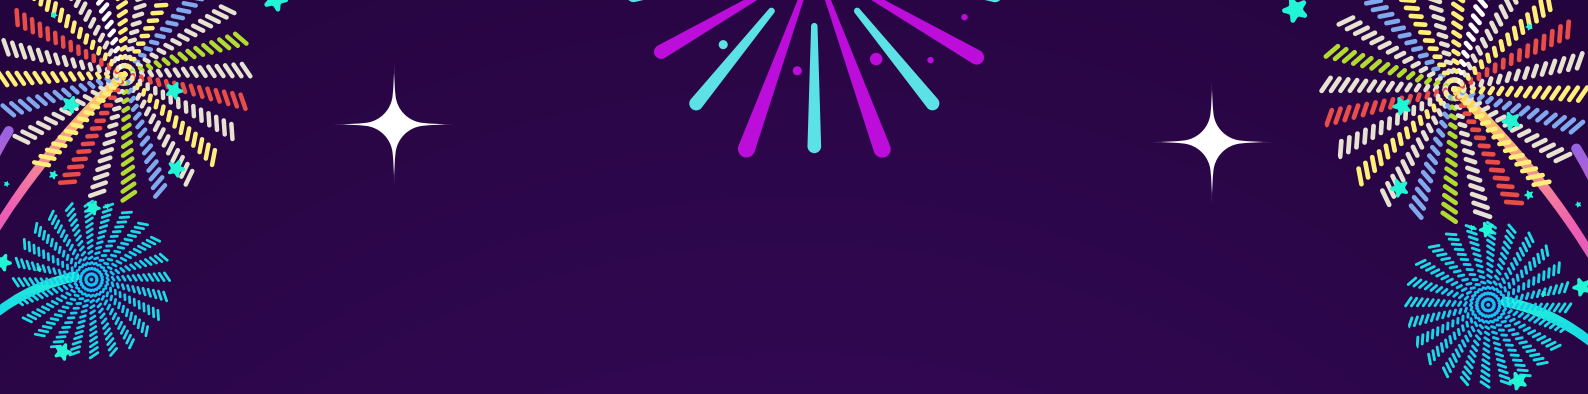

"Laughter is the brightest firework," as they say. There were many of activities, heartwarming moments, and glittering wins at our Diwali celebration!

This event brought out the best in us, from sharing a burst of delight (without the loudness of real crackers) to lighting up the office with smiles.

Cheers to energy that bursts like the biggest firecracker and teamwork that shines brighter than sparklers!

Watch the highlights of our celebration and allow the joyous occasion to motivate us all to close out the year with a bang!

Women's Welfare Meet

Not only do we discuss women's empowerment at AgnoShin Technologies, but we also incorporate games, healthy competition, and a little fun. From friendly rivalry to hysterical laughter, our last Women's Meet had it all. Of course, some of us may have taken the games a bit too seriously. We support one another while having a great time, whether we're dominating at work or at the ping pong table.

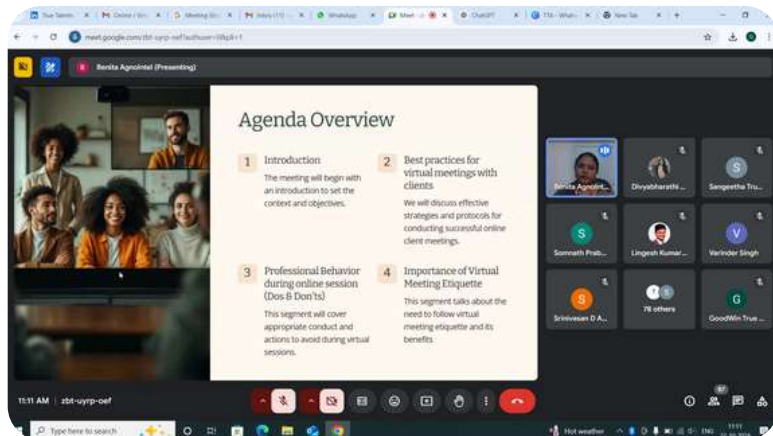

GITEX GLOBAL MEGA EVENT

One of the biggest tech events in the world, GITEX Global Largest Tech & Startup Show, took place in Dubai, and AgnoShin Technologies was a part of it. The world's most innovative ideas and sharpest brains come together for this amazing event. We appreciate all of our friends and partners' time and work. We are eager to see what we can accomplish as a team and are thrilled about what the future holds.

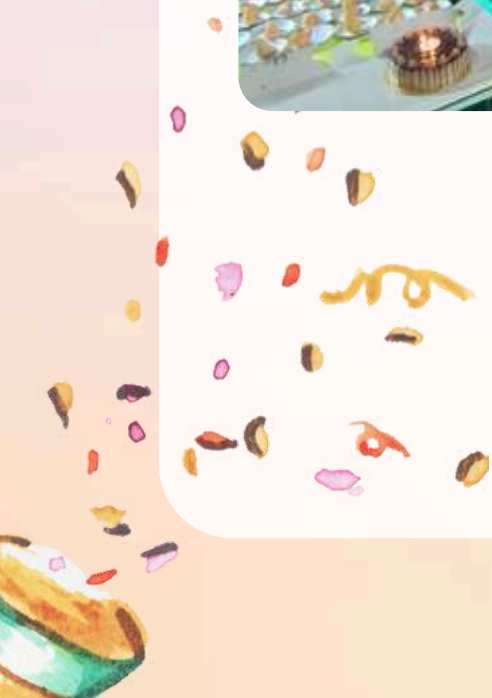

ONLINE ETIQUETTE TRAINING

Benita's webinar on online etiquette training was a great success. We discussed everything from social media behavior to virtual meeting advice and successful communication. To test their new abilities, participants even took an entertaining test! "Knowledge is like a garden; if it is not cultivated, it cannot be harvested." Together, let's keep developing and perfecting our online presence!

A Great Place for Great people to do Great Work

As the saying goes, our usual fun tuesday on the 29th of Oct had ended with cake cutting celebration for the heroes of AgnoShin born in October month.

Team Reviews

The organization promotes a culture of innovation and progress, and the work atmosphere is collaborative. I value the contemporary workspace and adaptable remote work choices because they greatly simplify the juggling of work.

Ezhilrani, Software Engineer

The organization continuously fosters staff development and offers a wealth of chances for career advancement. The work culture is encouraging and collaborative, and the leadership is personable.

Pridwiraj, Sr. System Engineer

WELCOME TO THE FAMILY!..

We're excited to have you join our family here at. Your skills and talents will be a great addition to our team, and we can't wait to see the amazing contributions you'll make. We believe that every team member's unique perspective is valuable, and we encourage open communication and teamwork.

Mr. Senthilvelan
Senior Technical Consultant

BIRTHDAYS

Ms. Porkodi
